

IF YOU COULD READ MY MIND

A if you could read my mind love **G** what a tale my thoughts could tell

A just like an old time movie **G** 'bout a ghost from a wishing well

A **A7** **D** **E** **F#m**
in a castle dark or a fortress strong, with chains upon my feet

D **A** **D** **A** **Bm7** **E** **A**
you know that ghost is me and I will never be set free as long as I'm a ghost that you can't see

A if I could read your mind love **G** what a tale your thoughts could tell

A just like a paperback novel **G** the kind the drugstore sells

A **A7** **D** **E** **F#m** **D** **A**
when you reach the part where the heartaches come the hero would be me but heroes often fail

D **A** **Bm7** **E** **A**
and you won't read that book again because the ending's just too hard to take

instrumental: **A G A G**

A **A7** **D** **E** **F#m** **D** **A**
I'd walk away like a movie star who gets burned in a three way script enter number two

D **A** **Bm7** **E** **F#m** **D** **A**
a movie queen to play the scene of bringing all the good things out in me, but for now love let's be real

D **A** **Bm7** **E**
I never thought I could act this way and I've got to say that I just don't get it

D **A** **Bm7** **E** **A**
I don't know where we went wrong but the feeling's gone and I just can't get it back

Chorus (1st 3 lines)

D **A** **D** **A** **Bm7** **E** **F#m**
but stories always end & if you read between the lines you'll know that I'm just trying to understand

D **A** **D** **A** **Bm7** **E**
the feelings that you lack, I never thought I could feel this way and I've got to say that I just don't get it

D **A** **Bm7** **E** **A**
I don't know where we went wrong but the feeling's gone and I just can't get it back
