

KIDS SHOULD LOVE MONEY

intro G D Em C G D Em C

Em C G Am
kids, if you want to have a future a life that's secure and peaceful, happy and sunny

Em C G Am
then you should really spend some time developing an all-consuming lust for the lucre of money

Em C G Am
start working 60-hour weeks 'till you get appointed to boss and you get to work 80

Em C G Am
no need for hygiene or for dating just make Sacagawea your lady

G D Em C
making money is such a rush, sure beats dinner with your family

G D Em C
thanks to money we've got the Lakers and the Hobbit movies 2 and 3

Em C G Am
life is more exciting when you borrow you can pay a boring a price now or an epic price tomorrow

Em C G Am
and when your credit has all been spent just pull a Michael Jordan come out of retirement

G D Em C
money is your best friend, without money there'd be no rich and poor

G D Em C
you'll take it with you in the end, is there a better cause worth dying for?

C D Bm Em
earning money is child's play if you make sure that you know your tricks

C D Bm Em
doctors are s'posed to keep you healthy but they make bank when you're really sick

C D Bm Em
reporters get paid for the news, especially the bad news, boxers get paid if they win or they lose

C D Bm Em
you'll reap financial rewards if your songs have the 4 standard chords

C D
and you get millions for tossing 'round a pointed leather ball

Bm Em
teach little kids and you don't really get paid at all

C D Bm
senators and congress-members do OK 'cause they pick their own salaries

Em C D G
and you get to pay... and we wouldn't want it any other way

G D Em C
so take a stand for what is green, come and rally to our money flag

G D Em C
it's the root of all that's good, you know it's all about the price tag

A E F#m D
come and join our prosperous throng, let the commercial life envelop you

A E F#m D
be sure to go and buy this song that we may earn the iTunes revenue

A E F#m D A
kids, there's one skill you know: consumerist accumulation, so

E F#m D A
I think we're all agreed money is the only thing you need
