

# YESTERDAY

**F**        **Em7**        **A7**                                **Dm**        **C**  
 yesterday all my troubles seemed so far away  
**Bb**        **C7**                                **F**  
 now it looks as though they're here to stay  
**C** **Dm**        **G**        **Bb** **F**  
 oh I believe in yesterday

**F**        **Em7**        **A7**                                **Dm**        **C**  
 suddenly I'm not half the man I used to be  
**Bb**        **C7**                                **F**  
 there's a shadow hanging over me  
**C** **Dm**        **G**                                **Bb** **F**  
 oh yesterday came suddenly

**Em7** **A7** **Dm** **C** **Bb**                **Gm**  
*why she had to go I don't know*  
              **C**        **F**  
*she wouldn't say*  
**Em7** **A7** **Dm** **C**        **Bb**  
*I said something wrong*  
              **Gm**        **C**        **F**  
*now I long for yesterday*

**F**        **Em7**        **A7**                                **Dm**        **C**  
 yesterday love was such an easy game to play  
**Bb**        **C7**                                **F**  
 now I need a place to hide away  
**C** **Dm**        **G**        **Bb** **F**  
 oh I believe in yesterday
