

LANDSLIDE

G D Em D
 I took my love, I took it down
 G D Em D
 climbed a mountain and I turned around
 G D Em D
 and I saw my reflection in the snow-covered hills
 G D Em D
 til the landslide brought me down

G D Em D
 oh mirror in the sky, what is love
 G D Em D
 can the child within my heart rise above
 G D Em D
 can I sail through the changin' ocean tides
 G D Em D G D Em D G D Em7 A7
 can I handle the seasons of my life, m-mm I don't know, m-mm

D A Bm G D Em7 A7
 well I've been afraid of changing 'cause I've built my life around you
 D A Bm G D Em7 A*
 but time makes you bolder even children get older and I'm getting older too, so

G D Em D
 take this love, take it down
 G D Em D
 oh if you climb a mountain and you turn around
 G D Em D
 if you see my reflection in the snow-covered hills
 G D Em D
 well the landslide will bring it down, down
 G D Em D
 and if you see my reflection in the snow-covered hills
 G D Em D
 well maybe, the landslide will bring it down, well well
 G D Em
 the landslide will bring it down

A7*
