

OUT OF MY HEAD

^G sometimes I feel like I'm ^{Bm} drunk behind the wheel
^C the wheel of ^G possibility, ^{A7} however it may ^{D7} roll
^G give it a spin, see if you can ^{Bm} somehow factor in
^C you know there's ^G always more than one way
^{A7} to say ^{D7} exactly what you ^G mean to say

chorus

^G was I out of my ^D head or was I out of my ^{Em} mind?
^G how could I have ever been ^{G7} so ^C blind?
^G I was waiting for an ^D indication, ^{A7} it was hard to ^{D7} find
 (invitation)
^G don't matter what I say, only what I ^{Em} do
^G I never mean to do ^{G7} bad things to you
^G so quiet but I finally woke up
^{A7} if you're sad then it's time you ^{D7} spoke up too ^C

(end on ^G)
