

# SATELLITE

intro: Am Am F Dm Am Am F Dm Dm Dm Dm Dm

                  Am G Dm  
shining like a work of art  
                  Am G Dm  
hanging on a wall of stars  
                  Am G F Dm  
are you what I think you are

          Am C F  
you're my satellite  
          Am C F  
you're riding with me tonight  
                  Am C  
passenger side, lighting the sky  
                  F Dm  
always the first star that I find  
          Am C F Am Am F Dm  
you're my satellite

                  Am G Dm  
elevator to the moon  
                  Am G Dm  
whistlin' a favorite tune  
                  Am G F Dm  
trying to get a closer view

                  Am G Dm  
maybe you will always be  
                  Am G F Dm  
just a little out of reach
