

SHADY GROVE (major key)

^C
sunny on the mountaintop, shady in the holler
everywhere my true love goes ^G I'll be bound to ^C foller'

^C
shady grove, my little love, shady grove, my dear
shady grove, my little love ^G goin' away from ^C here

^C
wish I had a needle and thread fine as I could sew
sew my love to my coattail and ^G down the road I'd ^C go

^C
wish I had a pig in a pen and corn to feed him on
big strong man to stay at home and ^G feed him when I'm ^C gone
