

# YOU'VE GOT A FRIEND

when you're down & troubled & you need a helping hand  
 and nothing, no nothing is going right  
 close your eyes and think of me and soon I will be there  
 to brighten up even the darkest night

you just call out my name and you know wherever I am  
 I'll come runnin to see you again  
 winter spring summer or fall all you've got to do is call  
 and I'll be there yeah yeah yeah you've got a friend

if the sky above you should turn dark and full of clouds  
 and that old north wind should begin to blow  
 keep your head together and call my name out loud  
 and soon I'll be knockin upon your door

hey ain't it good to know that you've got a friend  
 people can be so cold, they'll hurt you and desert you  
 well they'll take your soul if you let them  
 oh yeah but don't you let them
