

# I'VE JUST SEEN A FACE

**D**  
 I've just seen a face I can't forget the time or place  
**Bm**  
 where we just met she's just the girl for me  
**G**  
 and I want all the world to see we've met  
**A** **D**  
 mm, mm, mm, m-m-mm

**D**  
 had it been another day I might have looked  
**Bm**  
 the other way and I'd have never been aware  
**G**  
 but as it is I'll dream of her tonight  
**A** **D**  
 la, da, di, da-da di

**A** **G**  
*falling yes I am falling*  
**D** **G** **D**  
*and she keep calling me back again*

**D**  
 I have never known the likes of this I've been alone  
**Bm**  
 and I have missed things and kept out of sight  
**G**  
 but other girls were never quite like this  
**A** **D**  
 mm, mm, mm, m-m-mm
