

# ELEVATOR ROMANCE

**G** we locked eyes on the elevator, started my heart like an accelerator **C**  
**Em** we were going down, but my heartbeat was going up, oh **D**  
**G** it was such a sweet sensation, my cheeks flushed like I'm on vacation **C**  
**Em** I'm trying, but I can't ignore the temptation, it seems I've fallen & I don't want to get up **D** **G**

**G** somebody help me **C** I'm feeling dizzy **Em** sweating and I'm getting frizzy  
**D** it's got me seeing stars, oh **G** we're standing here waiting **C** I feel like I'm fainting  
**Em** but I'm not complaining 'cause maybe you know CPR **D**

**Em** you got off on floor two and everything went black **C** **Em**  
**C** I guess I never loved you, I was having a legitimate heart attack **D**

**G** I'm on the floor of the elevator, does anyone have a defibrillator? **C**  
**Em** I thought I was love-sick, but these symptoms are lining up, oh **D**  
**G** it was such a sweet sensation mixed with ventricular fibrillation **C**  
**Em** I might need some medical attention, it seems I've fallen and I can't get up **D** **G**

**Em** I wanted a kiss, got atherosclerosis, that was the ambulance's diagnosis **C** **Em**  
**C** but romantically I'm hopeless, at least love is a lot more painless **D**

**G** remember that girl from the elevator? this works out 'cause I wanted **C**  
to date her **Em** we shared a glance, now we're sharing an ambulance **D** **G C Em D G**
