

TEQUILA SUNRISE

G
 it's another tequila sunrise
D **Am D7** **G**
 starin' slowly 'cross the sky, said goodbye
G
 he was just a hired hand
D **Am D7** **G**
 workin' on a dream he planned to try, the days go by

Em **C**
 every night when the sun goes down
Em **C** **Em Am** **D7**
 just another lonely boy in town and she's out runnin' round

G
 she wasn't just another worman
D **Am D7** **G**
 and I couldn't keep from comin' on, it's been so long
G
 oh and it's a hollow feelin'
D **Am D7** **G**
 when it comes down to dealin' friends, it never ends

Am **D**
 take another shot of courage
Bm **E** **Am B** **Em7 A**
 wonder why the right words never come you just get numb

G
 it's another tequila sunrise
D **Am D7** **G**
 this old world still looks the same, another frame
