

I'M YOURS

^C well you done done me in, you bet I felt it, I tried to be chill but you're so hot
 that I melted, I fell right through the cracks, now I'm trying to get back
 before the cool done run out I'll be giving it my bestest, & nothing's gonna stop me
 but divine intervention, I reckon it's again my turn to win some or learn some

^C but I won't hesitate ^G no more, ^{Am} no more, ^F it cannot wait, ^C I'm yours, ^G hmm, ^{Am} hey-ey-ey, ^F hey

^C well open up your mind & see like me, open up your plans & then you're free
 look into your heart & you'll find love, love, love, love
 listen to the music of the moment, people dance & sing, we're just one big family
 & it's our unforsaken right to be loved, loved, loved, loved, loved

^C so I won't hesitate ^G no more, ^{Am} no more, ^F it cannot wait, I'm sure
 there's no need to complicate, our time is short, this is our fate, I'm yours

^C do, do, do, do, do, but do you want to come on scooch on over closer, dear?
 and I will nibble your ear, su-da-ba-ba, whoa-oh-oh, whoa-oh-oh-oh-oh, mmm-hmm

^C I've been spending way too long checking my tongue in the mirror & bending over backwards
 just to try to see it clearer but my breath fogged up the glass, so I drew a new face & I laughed
 I guess what I be saying is there ain't no better reason to rid yourself of vanities
 & just go with the seasons, it's what we aim to do, our name is our virtue

^C but I won't hesitate ^G no more, ^{Am} no more, ^F it cannot wait, I'm yours, ^C well, open up your mind & see like me
 (no more, no more) (it cannot wait)
 open up your plans and then you're free & look into your heart and you'll find
 (I'm sure) (no need to complicate)
 that the sky is yours, so please don't, please don't, please don't

(our time is short) (this is) (our fate)
 there's no need to complicate, 'cause our time is short, this, oh this, this is our fate, I'm yours
