ALL IS FOUND

          Am   D   F   C
where the north wind meets the sea there's a river full of memory

          Dm   F   G   Am
sleep, my darling, safe and sound for in this river all is found

          Am   D   F   C
in her waters, deep and true lie the answers and a path for you

          Dm   F   G   Am
dive down deep into her sound but not too far or you'll be drowned

     F   C   Dm   Bb
yes she will sing to those who'll hear and in her song all magic flows

     F   Em   D   F
but can you brave what you most fear can you face what the river knows

          Am   D   F   C
where the north wind meets the sea there's a mother full of memory

          Dm   F   G   Am
come my darling homeward bound when all is lost then all is found
