UNDER THE BRIDGE

```
 D          A         Bm        F#m  G
sometimes I feel like I don't have a partner
 D          A         Bm        G         D      A
sometimes I feel like my only friend is the city I live in,
    Bm    F#m G  D    A        Bm        G     Dmaj7
the city of angels, lonely as I am, together we cry
     D          A            Bm           F#m G   D              A
I drive on her streets 'cause she's my companion I walk through her hills
          Bm        G        D            A
'cause she knows who I am she sees my good deeds
        Bm    F#m G    D         A        Bm       G    Dmaj7
and she kisses me windy well, I never worry, now that is a lie

under the bridge downtown I gave my life away
