C              Em              Am              C
  your day breaks  your mind aches  you find that all her words
  Fmaj7          Bb              C
of kindness linger on when she no longer needs you
C              Em              Am              C              F
  she wakes up  she makes up  she takes her time and doesn't feel
        Bb          C
she has to hurry, she no longer needs you
```
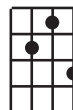

```
  C         Dm          A7      Dm              A7      Dm
and in her eyes you see nothing    no sign of love behind the tears
        A7      Dm                      A7      Dm      G7sus4    G7
cried for no one  a love that should have lasted years
```

```
C              Em              Am              C
  you want her  you need her  and yet you don't believe her
Fmaj7              Bb              C
when she says her love is dead you think she needs you
```

```
C              Em              Am              C
  you stay home  she goes out  she says that long ago
     Fmaj7              Bb              C
she knew someone but now he's gone, she doesn't need him
C              Em              Am              C              Fmaj7
  your day breaks  your mind aches  there will be times when all the things
        Bb              C
she said will fill your head, you won't forget her
